

## **PRESS RELEASE**

*Frankfurt (Germany)/Apeldoorn (The Netherlands), 30 September 2019*

### **Triton completes investment in Royal Reesink**

An entity controlled by the funds advised by Triton Partners ("Triton") has successfully completed the acquisition of a majority stake in Royal Reesink B.V. ("Royal Reesink"), one of the largest international equipment distribution and aftermarket services platforms, from Gilde Buy Out Partners ("Gilde"), Teslin Participaties Coöperatief U.A. ("Teslin") and Navitas B.V. ("Navitas Capital"). Triton invests alongside the current management of Royal Reesink. The financial terms of the transaction were not disclosed.

Royal Reesink is a long-standing partner for major A-brand OEMs and is active in the agriculture, turf care, material handling and construction industries and hydraulics business. The company is recognized by its customers as a preferred provider of equipment and related lifecycle services.

#### **About Royal Reesink**

Royal Reesink was founded in 1786. The company has a Benelux stronghold along with a global footprint, also providing its end-to-end solutions in Canada, Germany, the United Kingdom, Kazakhstan, Denmark, South Africa and Turkey. Royal Reesink has around 2,200 employees. It enables customers to achieve the highest yield from machines and systems. By focusing on robotization, engineering, connectivity, measurability and the use of big data, Royal Reesink continually explores new opportunities for innovation. This involves sustainable solutions that respect people and the planet.
